Hope for a Ride Application Instructions

Please read the following instructions to properly apply for a vehicle through the Hope for a Ride program. Verification of eligibility is the responsibility of the sponsoring non-profit organization. Please be sure to fill out the form with accuracy and hand it in to your local non-profit office.

Paperwork Needed

In order to be eligible we need copies of the following documentation:

Driver's License (Spouse Also)	Social Security Card
Dependent Birth Certificates	Last Bank Statement
Last Electric Bill	Last Phone Bill
Copy of Lease/Mortgage Note	Last Pay Stub or Latest Tax Return
Copy of SNAP/Food Stamp Eligibility	Vehicle Insurance (after we provide you the vehicle information)

Eligibility

In order to be eligible for a vehicle donation through Hope for a Ride, the applicant must be able to verify an authentic need for a vehicle. If you are eligible for Food Stamps/SNAP or Medicare/Medicaid it is important you hand in copies of your paperwork as this signifies a verification of your authentic need.

Recipient Selection

We understand that your need is real, but quantities of donations are limited. The selection of vehicle recipients of the Hope for a Ride program will be selected and finalized by select local charities and the final decision cannot be appealed or reconsidered.

The delivery of the vehicle and information needed for delivery will be communicated through your local non-profit office.

Costs

Recipients should be aware they will have to pay sales tax, registration and insurance. We will provide the vehicle year, make, model, VIN and mileage so they can purchase insurance. Upon receipt of the insurance along with a copy of their driver's license, we'll issue the registration and temporary license plates. **We recommend that each recipient have \$500 to cover these costs.** And remember, recipients must pay to maintain their vehicles.

Insurance

The recipient of the vehicle **must have vehicle insurance**. This person can be on another person's policy but we must have proof that the recipient is insured for the donated vehicle as the primary driver. Whenever possible, we'll give you the vehicle year, make, model, VIN and mileage a few days prior to donating the vehicle. This isn't always possible, but we will do our best.

Dayspring Family Church has agreed to pay the sales tax and registration fees. The recipient of the vehicle will be responsible for the insurance.
